Parent or Guardians Signature: _____ **Date:** _____

HIPAA

Effective April 14, 2003 the new federal law known as the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires that this office comply with certain rules regarding the maintenance of the privacy of your information that we have collected and will collect in the future.

To comply with one of HIPAA's requirements, we are giving you a copy of our Notice of Privacy Practices. This Notice of Privacy Practices contains information that HIPAA requires us to disclose regarding our privacy practices.

Existing Michigan law requires (in addition to our attempt to obtain your written acknowledgment, discussed above) us to first obtain your written consent prior to disclosing any of your information except for our disclosures in connection with: a defense to a claim challenging our professional competence; a review of entity's functions; a claim for payment of fees; a third party payer's examination of our records; a court order as part of a criminal investigation; an identification of a dead body; a licensure investigation; or a child abuse/neglect investigation.

From time to time it may be necessary for us to make disclosures of your information in connection with your treatment. For example, we may make a referral to or consult with another dentist or other health care professional, provide a specimen to a laboratory for testing or otherwise make disclosures of your information in connection with providing or coordinating your treatment.

Patient Acknowledgment/Consent

Purpose of Consent: By signing this form, you will consent to our use and disclosure of your protected health information to carry out treatment, payment activities, and health care operations.

Signature: I, _____, have had full opportunity to read and consider the contents of this Consent Form and your Notice of Privacy Practices. I understand that by signing this Consent Form, I am giving my consent to your use and disclosure of my protected health information to carry out treatment, payment activities and health care operations.
